

Social Work Care Coordination

WHAT IS Social Work Care Coordination

M Health Fairview Social Work Care Coordination supports patients and families dealing with chronic or complex health conditions and other social service needs. This service is available to patients of all ages, from babies to seniors.

When you're facing a difficult decision about caring for yourself or someone you love, we can help you understand your options. We identify and refer you to community resources that help with financial, legal, mental health, transportation, and other issues.
