

## Panorama Billing Information

- If you meet the criteria below your Panorama will be billed to your insurance by OBGYN West rather than Natera.

All Ages	35 Years and Over
Blue Cross Blue Shield MN	Medica
Blue Cross Blue Shield IL	Preferred One
Health Partners	UCare
Health Partners Medicaid	UCare Medicaid

- Depending on your insurance policy, your lab may be applied to your deductible/co-insurance.
  - If you are delivering in the same calendar year, it is beneficial to apply this amount to your deductible/co-insurance. This amount could be greater than \$250.00.
- If insurance does not cover your lab in full, you will receive a bill from Premier OBGYN of MN (OBGYN West).
  - You will have 14 business days from receipt of billing statement to decide if you want this balance to apply to your insurance deductible/co-insurance or request a void claim be filed with your insurance.
    - If a void claim is filed, you will owe \$250.00; it will no longer apply to your deductible/co-insurance.
      - If you choose to have the claim voided, the decision cannot be reversed.
