90651	HPV Vaccine	\$400.00	\$293.16	\$268.77

*This does not include the cost of the IUD device itself

Coding standards and associated charge and reimbursement values may vary based on complexity of a visit and whether a patient is a new or existing patient. A New Patient has not received professional services from Premier Women's Health of Minnesota within the previous three years. An established patient has received professional services from Premier Women's Health of Minnesota in the previous three years.

This is not a comprehensive list of services provided by our clinic. These charges are meant to be informative and do not reflect the amount you may owe for your care. Individual health plans have negotiated rates with the clinic.
